Re: VBE/VWBE15777

Dear Janice:

We are pleased to inform you that the National Women Business Owners Corporation (NWBOC) has certified **JMA Solutions, L.L.C.** as a business owned and controlled by a veteran. This certification will be valid for one year from May 09, 2016 through May 08, 2017. This decision was based on the Standards and Procedures of the National Women Business Owners Corporation, the first national certifier of Women Business Enterprises.

JMA Solutions, L.L.C. has a continuing obligation to report changes (in writing) in ownership or control to the administrative office of NWBOC at 1001 W. Jasmine Drive, Suite G, Lake Park, FL 33403, and, if necessary, to reapply for certification within 30 days of the effective date of change. **JMA Solutions, L.L.C.** must apply for recertification in one year with NWBOC. Although NWBOC will forward a recertification application to **JMA Solutions, L.L.C.**, it is your obligation to print the recertification paperwork from our website (www.nwboc.org) and complete, should you not receive it from NWBOC.

We will be e-mailing you a list of procurement contacts along with our logos for use on your letterhead, business cards and website. This packet includes some useful information on doing business with the private and public sector and other pertinent materials. Be sure to include copies of your "Certificate" with your marketing materials. This national certification is intended for procurement opportunities with major corporations throughout the world as well as some government agencies.

Congratulations and best wishes for continued success!

Sincerely,

Janet Harris-Lange
President, NWBOC
